It's a time . . .

to say what I've always wanted to say,
a touching word,
a glowing prayer,
a beautiful thought in a humble, yet meaningful way.

It's a time . . .

to try what I've always wanted to try.
touch a boisterous cloud,
paint a twinkling star,
roll down a grassy mountain side
or just to try and reach the sky.

It's a time . . .

to give what I've always wanted to give,
a golden touch,
a precious moment,
but most of all someone else a reason to live.

It's a time . . .

to be what I've always wanted to be,
a humble and honest person,
a welcomed and needed friend,
ever having in my mind others instead of "me."

JUNIORS

Officers; Pres., C. Wilkerson, V. Pres., S. Shouse, Sec.-Treas., D. Schmidt.

We, as Juniors have led a very active 1975-76 school year. We started off on the right foot by winning first place on our Homecoming float, the theme being "Eat 'Em Up." Through-out the year we were kept on our toes by decorating the gym for homecoming, pushing candy in the concession stand, and planning and preparing for prom '76.
